As of 6/30/19, the District's Fund balance was \$128,730. This represents the District's available spendable resources, or assets less liabilities. June had a surplus of \$6,741. The District had ample project work to keep the staff busy and therefore had reduced general fund spending. There were also not any large expenditures this month. This was the District's final month of the fiscal year. The District ended the year with a \$15,146 surplus.
